3. Name of the Lecturers	Dr.Suresh babu,B.Nagesh babu
4. Date	20-03-2021
5. Number of students participated	50
6. Number of faculty involved	07
7. Aim & Objectives:  To draw attention to the threats faced by migratory birds, their ecological importance, and the need for international cooperation to conserve them.	
8. Brief Report :  On the occasion of Birds Day Department of Botany in association with Department of English has conducted a unique programme SAVE OUR BIRDS on the college campus today. In this connection, we have installed a good number of artificial nests on the branches of trees and also provide feed (food grains of different varieties) and besides that we have also made arrangements for water in their nests. The staff and some of the students participated in this special Drive to save our birds from extinction.Altogether,the programme proved successful.  <div style="text-align: right;">Signature In charge of the Department</div>
