

Teaching Plan / Lesson No. 1st B.A - Paper - I

Name of the Topic	Fundamentals of social science
Hours required	5 Unit - I
Learning Objectives	→ scope of social science → Different " "
Previous knowledge to be reminded	Introduction of social science
Examples / Illustrations	sociology, Political science
Additional inputs	Social work, History, Economics
Teaching Aids used	Black board & chalk.
References cited	Academic Text books
Student Activity Planned after the teaching	Assignment
Activity planned outside the class room, if any	notes.
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) <u>social sciences</u> <u>scope</u> & <u>Differences</u> → sociology - gender roles → Psychology - Emotions → Political science - public policy → Economics - Macro Economic trends → History - social cultural → social work. - Improve the lives.

V. M. M. S.
Signature of the Lecturer

Teaching Plan / Lesson No. I.B.A Paper-I

Name of the Topic	Social science Methods and Differences
Hours required	5 - IBA Unit - IV
Learning Objectives	→ social science Methods → social science Differences.
Previous knowledge to be reminded	scope of social science. Methods.
Examples / Illustrations	Human society & behavior.
Additional inputs	Quantitative research & numerical data.
Teaching Aids used	Black board & chalk.
References cited	Academic text books
Student Activity Planned after the teaching	student seminars.
Activity planned outside the class room, if any	notes
Any other activity	-
Topic Synopsis	(Continue on the reverse side if needed) <u>Methods of social science</u> → quantitative research. → surveys, experiments → Mixed Methods → observational studies. → natural & social science Difference

 Signature of the Lecturer

Teaching Plan / Lesson No. II B.A. - Unit - I

Name of the Topic	Economic development
Hours required	5 - II BA
Learning Objectives	→ Scope of Economic development → Importance of Economic Development
Previous knowledge to be reminded	Introduction of Development Economics
Examples / Illustrations	People in a society
Additional inputs	Economic social aspects
Teaching Aids used	Black board & chalk
References cited	Academic text books
Student Activity Planned after the teaching	Assignments
Activity planned outside the class room, if any	notes.
Any other activity	-
Topic Synopsis	(Continue on the reverse side if needed) <u>Development Economics</u> → Scope of Development Economics → Importance of Development Economics → Measures of Development Economics → Limitations of Development Economics

V. m. l. t. i. s
Signature of the Lecturer

Teaching Plan / Lesson No. II B.A - Unit II

Name of the Topic	sustainable development & Inclusive Growth
Hours required	5 - II BA
Learning Objectives	→ Interaction - Economy & environment → Sustainable development → Inclusive Growth
Previous knowledge to be reminded	Economic Development
Examples / Illustrations	Environment in Economy
Additional inputs	Production, distribution & consumption
Teaching Aids used	Black board & chalk
References cited	Academic text books.
Student Activity Planned after the teaching	student seminars
Activity planned outside the class room, if any	notes.
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → Environment in Economic Analysis → sustainable development → sustainable - Goals → Environmental crisis → Inclusive Growth → Elements of Inclusive Growth

 Signature of the Lecturer

Teaching Plan / Lesson No. GC - III B A

Name of the Topic	Insurance concept and principles
Hours required	5 - III BA Unit - I
Learning Objectives	→ Risk management → Risk classification →
Previous knowledge to be reminded	Introduction of Insurance
Examples / Illustrations	Insurance
Additional Inputs	Risk uncertainty
Teaching Aids used	Black board & chalk
References cited	Academic text books
Student Activity Planned after the teaching	Assignments
Activity planned outside the class room, if any	notes
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → Introduction of Risk. → Risk management → Risk classification → Risk uncertainty → Importance of Insurance

V. Malanthi
Signature of the Lecturer

Teaching Plan / Lesson No.

Name of the Topic	Insurance - Types -
Hours required	10
Learning Objectives	→ Principles of Insurance → Insurance Regulation in India → Role of IRDA
Previous knowledge to be reminded	Risk management
Examples / Illustrations	Insurance Policies
Additional inputs	Primiums
Teaching Aids used	Black board & Chalk.
References cited	Academic text books
Student Activity Planned after the teaching	student seminars.
Activity planned outside the class room, if any	notes
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → concept of Insurance → Importance of Insurance → Insurance ombudsman → Scope for Insurance business in India

V. Malathi
 Signature of the Lecturer

Teaching Plan / Lesson No. 7C - III BA

Name of the Topic	Principles of Banking and Indian Banking
Hours required	10 Unit - I
Learning Objectives	→ Banking - meaning → Principles of Banking → Fraction
Previous knowledge to be reminded	Introduction of Banking
Examples / Illustrations	Banks
Additional inputs	RBI
Teaching Aids used	Black board & chalk
References cited	Academic text books
Student Activity Planned after the teaching	Assignments
Activity planned outside the class room, if any	notes
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → structure of Indian Banking system. → Regulations of Banking in India. → Role of RBI in Banking

V. M. V. V.

Signature of the Lecturer

Teaching Plan / Lesson No.

Name of the Topic	Anti-Money Laundering
Hours required	5
Learning Objectives	→ Financial literacy →
Previous knowledge to be reminded	'Banking system'
Examples / Illustrations	Indian banking.
Additional inputs	Financial opportunities.
Teaching Aids used	Black board & chalk
References cited	Academic Text books.
Student Activity Planned after the teaching	Seminars
Activity planned outside the class room, if any	Notes
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → Basics of Financial Literacy → Problems of Banking in India → challenges of ~ ~

V. Muthu

Signature of the Lecturer

Teaching Plan / Lesson No.

Name of the Topic	Financial Markets
Hours required	6
Learning Objectives	Indian Financial systems
Previous knowledge to be reminded	Financial Markets
Examples / Illustrations	Knowledge of financial terms
Additional inputs	Indian Finance
Teaching Aids used	Black board & chalk
References cited	Academic text books
Student Activity Planned after the teaching	Assignments
Activity planned outside the class room, if any	notes
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → Financial System - Components → Financial Markets → Financial Institutions.

V. M. L. S.

Signature of the Lecturer

Teaching Plan / Lesson No. TBA-Politen-I

Name of the Topic	Political Economy
Hours required	10 unit - IV
Learning Objectives	Introduction of Political Economy
Previous knowledge to be reminded	Basics of Economy
Examples / Illustrations	Polity & Economy
Additional Inputs	Political system.
Teaching Aids used	Black board & chalk.
References cited	Academic text books
Student Activity Planned after the teaching	Assignment & seminars
Activity planned outside the class room, if any	notes
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → understanding political system → Political system - organs & state → understanding over Economics - Micro and Macro concepts → Economic growth and Development - Various aspects of development

 Signature of the Lecturer

Teaching Plan / Lesson No. nd II B.A - Unit - II

Name of the Topic	Modern Economic Growth
Hours required	5
Learning Objectives	characteristics of underdeveloped countries.
Previous knowledge to be reminded	Economic Growth
Examples / Illustrations	Growth and development
Additional Inputs	World Bank & IMF
Teaching Aids used	Black board & chalk
References cited	Academic text books
Student Activity Planned after the teaching	no Assignment
Activity planned outside the class room, if any	notes
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → world Bank & IMF classification of countries → Modern Economic growth → Kuznets's characteristics → obstacles to economic development

V. rubin

Signature of the Lecturer

Teaching Plan / Lesson No. IInd B.A Unit-II

Name of the Topic	Vicious & Modern Economic Growth
Hours required	10
Learning Objectives	Vicious circle & Poverty and cumulative causation.
Previous knowledge to be reminded	Economic development
Examples / Illustrations	Capital goods, Human Resources.
Additional Inputs	Planning Commission & India.
Teaching Aids used	Black board & chalk.
References cited	Academic text books.
Student Activity Planned after the teaching	Seminars
Activity planned outside the class room, if any	Notes
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → Factors & economic growth → Economic and non-economic → Capital formation → Foreign and Domestic capital → Debt and Disinvestment

V. Pulita
Signature of the Lecturer

Teaching Plan / Lesson No. II B.A - Unit - II

Name of the Topic	Life Insurance and Products
Hours required	10.
Learning Objectives	Life Insurance - nature and Features
Previous knowledge to be reminded	Insurance Introduction
Examples / Illustrations	Insurance Companies
Additional inputs	Insurance services
Teaching Aids used	Black board & chalk.
References cited	Academic text books
Student Activity Planned after the teaching	debate
Activity planned outside the class room, if any	notes.
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → Major life Insurance Companies in India. → Importance life Insurance Products → Features - conventional, unit linked, Annuities, Group policies → medical Examiner

V. m. k. s.

Signature of the Lecturer

Teaching Plan / Lesson No. 7C- III-BA

Name of the Topic	Deposits loans and digital Banking
Hours required	10 Unit-II
Learning Objectives	Bank Deposit- Account types.
Previous knowledge to be reminded	Account opening and closing
Examples / Illustrations	Bank customers
Additional Inputs	KYC norms
Teaching Aids used	black board & chalk
References cited	Academic text books
Student Activity Planned after the teaching	Quiz
Activity planned outside the class room, if any	notes
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → negotiable Instruments - cheque Bill of Exchange, Promissory note Endorsement → Principles of Lending - Priority sector Lending → E-Banking facilities:- debit card, Net Banking, core Banking solutions

V. M. L. S.
Signature of the Lecturer

Teaching Plan / Lesson No. I.B.A. Paper - II

Name of the Topic	Money market
Hours required	10
Learning Objectives	Introduction of money market
Previous knowledge to be reminded	Financial markets
Examples / Illustrations	shares, debentures,
Additional inputs	bonds, mutual funds
Teaching Aids used	Black board & chalk
References cited	Academic text books
Student Activity Planned after the teaching	Seminars
Activity planned outside the class room, if any	notes
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) - capital market → capital market - functions → " " - organizations → " " - elements → Debt market → Equity market and secondary market

V. M. M. S.
Signature of the Lecturer

Teaching Plan / Lesson No. I B.A Paper-II

Name of the Topic	Man in society - UNIT-1
Hours required	10
Learning Objectives	Human Nature and life Engagement
Previous knowledge to be reminded	Human nature.
Examples / Illustrations	social and Institutions.
Additional Inputs	Social changes
Teaching Aids used	socialization Black board & chalk
References cited	Academic text books
Student Activity Planned after the teaching	study Project
Activity planned outside the class room, if any	notes
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → social groups and social dynamics → Individualism and collectivism → Ethical concerns → Human life - social Influence and social Impact

V. mullu
Signature of the Lecturer

Teaching Plan / Lesson No. I B.A. Paper-II

Name of the Topic	Political Economy unit - IV
Hours required	15
Learning Objectives	→ understanding political systems.
Previous knowledge to be reminded	social sciences.
Examples / Illustrations	Growth and development
Additional inputs	
Teaching Aids used	Black board & chalk.
References cited	Academic text book.
Student Activity Planned after the teaching	seminars
Activity planned outside the class room, if any	notes
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → Political systems - organs of state → understanding over Economics Micro and macro concepts → Economic Growth and development various aspects of development

V. m. m. m.

Signature of the Lecturer

Teaching Plan / Lesson No. II B.A-unit-III

Name of the Topic	Theories of development & underdevelopment
Hours required	10 Hours
Learning Objectives	→ Classical Theory → Adam Smith Ricardo and Malthus → Marxian Theory
Previous knowledge to be reminded	Modern Economic Growth
Examples / Illustrations	Labour of nation.
Additional inputs	Classical Economists
Teaching Aids used	Black board & chalk.
References cited	Academic text books
Student Activity Planned after the teaching	Group Discussion.
Activity planned outside the class room, if any	-
Any other activity	-
Topic Synopsis	(Continue on the reverse side if needed) → Schumpeter Theory → Rostow's stages of Economic Growth → Harrod-Domar two sector Model → Solow's model and Robinson's Golden Age

 Signature of the Lecturer

Teaching Plan / Lesson No. IIBA

Name of the Topic	Strategies of Economic Development
Hours required	12 Unit - IV & V
Learning Objectives	→ strategies of Economic Development → Big Push - Balanced & Unbalanced Growth
Previous knowledge to be reminded	Theories of development
Examples / Illustrations	Agriculture & Industry
Additional inputs	Capital intensive Technology.
Teaching Aids used	PPTs & Black board & Chalk
References cited	Academic text books
Student Activity Planned after the teaching	Debat
Activity planned outside the class room, if any	notes
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → Mahalanobis model - Agriculture vs Industry → Capital Intensive Technology vs Labour Intensive Technology → Role of Infrastructure in Economic Development → Institutions and Economic Development → Role of Markets - Market Failure → NITI Aayog - Economic Federalism → IDBI, IMF, FDI's.

V. M. M. M.

Signature of the Lecturer

Teaching Plan / Lesson No. III BA - 7C

Name of the Topic	Banking correspondents & common service
Hours required	12 Unit - III & IV
Learning Objectives	→ Banking correspondent model. → Activities of Banking correspondent → common services centre.
Previous knowledge to be reminded	Deposits loans and Digital Banking
Examples / Illustrations	Common services centre
Additional inputs	EMI, micro finance.
Teaching Aids used	Black board & chalk.
References cited	Academic text books
Student Activity Planned after the teaching	Seminar
Activity planned outside the class room, if any	Notes.
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → Case study of Banking correspondents → Financial services of NBFIs → NBFIs - Types - Features - EMI → Micro finance - Chit Funds → Payment Banking → Regulations of NBFIs in India.

V. Malathi
Signature of the Lecturer

Teaching Plan / Lesson No. III BA -7C

Name of the Topic	Work with Finance Service.
Hours required	10 Unit - V
Learning Objectives	→ Types of loans by FSC → Customer of FSC.
Previous knowledge to be reminded	Financial Services of NBFIs
Examples / Illustrations	Marketing of FSC
Additional inputs	FSC's Local Area.
Teaching Aids used	Black board & chalk.
References cited	Academic text books.
Student Activity Planned after the teaching	Group Discussion.
Activity planned outside the class room, if any	Notes
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → Types and Needs of FSC. → Procedures and Requirements in FSCs → Collection and Recovery of FSC loans → Case study of a FSC's local Area

 Signature of the Lecturer

Teaching Plan / Lesson No. III BA . 7C.

Name of the Topic	Banking Correspondents and common.
Hours required	12 Unit - III & IV
Learning Objectives	→ Banking correspondent model. → Activities of Banking correspondent → Deposit mobilization.
Previous knowledge to be reminded	Deposits and Digital Banking
Examples / Illustrations	collection and Recovery loan.
Additional inputs	common. service centre.
Teaching Aids used	Black board & chalk.
References cited	Academic text books.
Student Activity Planned after the teaching	Quiz
Activity planned outside the class room, if any	notes.
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → Requirement for Registering CSC → case study of Banking correspondent → Financial services of NBFIs → Non Banking Financial Institutions → EMI, micro Finance, chit Funds → Regulations of NBFIs in India.

 Signature of the Lecturer

Teaching Plan / Lesson No. III B A, 7C

Name of the Topic	Work with Finance service company
Hours required	12 Unit - V
Learning Objectives	→ Types of loans by Finance service. → Customer & FSC - Types and needs → Marketing of FSC's loans
Previous knowledge to be reminded	Financial services & NBFIs
Examples / Illustrations	marketing & loans
Additional inputs	FSC in local Area.
Teaching Aids used	Black board & chalk.
References cited	Academic text books
Student Activity Planned after the teaching	Student seminar
Activity planned outside the class room, if any	notes.
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → Procedures and Requirements in FSC loan sanction. → collection and Recovery of FSC loans → case study of a FSC's services in local Area.

V. M. M. M.
Signature of the Lecturer

Teaching Plan / Lesson No. IBA Mathematical Economics

Name of the Topic	Sets and Functions, Economics
Hours required	1.5
Learning Objectives	Role of mathematical methods in Economics Sets types; operations
Previous knowledge to be reminded	Basics of mathematics
Examples / Illustrations	Functions
Additional inputs	Graphics
Teaching Aids used	Black board & chalk.
References cited	Academic text books
Student Activity Planned after the teaching	notes. pro
Activity planned outside the class room, if any	Practice problems.
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → Functions meaning types, Graphical. → Differential Calculus → Limits of Functions → Derivative " → Optimization Problems → Concept of optimization in mathematics → unconstrained & constrained optimization

V. R. White
Signature of the Lecturer

Teaching Plan / Lesson No. mathematical Economics

Name of the Topic	Integrations and Linear Programming
Hours required	15
Learning Objectives	Concept of integrations Application of integration in Economics Linear Programming
Previous knowledge to be reminded	Optimization in Economics
Examples / Illustrations	sets
Additional inputs	Inverse method.
Teaching Aids used	Black board & chalk
References cited	Academic text books
Student Activity Planned after the teaching	notes
Activity planned outside the class room, if any	Practice problems.
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) matrices and determinants and Applications in Economics → matrix concept → Determinants Inverse matrix → cramer rule → matrix theory in Economics

V. m. l. t. s.
Signature of the Lecturer

Teaching Plan / Lesson No. IBA Micro Economics

Name of the Topic	Introduction to Economics
Hours required	35
Learning Objectives	→ Economic Activities and system → Fundamental Problems in Economics → meaning and scope of micro
Previous knowledge to be reminded	Introduction to Economics
Examples / Illustrations	Price demand
Additional inputs	supply, cost
Teaching Aids used	black board & chalk.
References cited	Academic text books
Student Activity Planned after the teaching	notes.
Activity planned outside the class room, if any	
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → demand and consumption. → production ~ Supply → markets → Distribution.

V. M. M. S.
Signature of the Lecturer

Teaching Plan / Lesson No.

statistical Method

Name of the Topic	Introduction to statistics
Hours required	20
Learning Objectives	→ Definition, scope, importance and limitations of statistics → Primary and secondary data.
Previous knowledge to be reminded	Remembers and states in a systematic way
Examples / Illustrations	Population studies, marks.
Additional inputs	Examining the blood of a patient
Teaching Aids used	Black board and chalk.
References cited	Academic text books.
Student Activity Planned after the teaching	Practice Problems.
Activity planned outside the class room, if any	Practice Problems.
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → Census and sampling techniques and their merits and demerits. → Diagrammatic Analysis → Schedule and questionnaires → Frequency distribution - Tabulation. → Diagram and graphic Presentation. → Histogram; Polygram - Bar Diagrams

V. M. L. S.

Signature of the Lecturer

Teaching Plan / Lesson No. statistical methods

Name of the Topic	Measures of central tendency
Hours required	20
Learning Objectives	→ Types of averages - Arithmetic mean → Median - mode - Dispersion. → Range, Deviation - coefficient of variation
Previous knowledge to be reminded	collection of data.
Examples / Illustrations	standard deviation.
Additional inputs	Karl Pearson's correlation.
Teaching Aids used	Black board & chalk
References cited	Academic text books.
Student Activity Planned after the teaching	Practice problems
Activity planned outside the class room, if any	notes.
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → Types of correlation - Karl Pearson's → Spearman - Regression Equations → Utility of Regression - Demand Forecasting → Time series and index numbers. → Definition, measurement of Time series. → Laspeyres Paasche's and Fisher's Index numbers. - uses and limitations.

V. M. White
Signature of the Lecturer

Teaching Plan / Lesson No. Economic development in India and A.P.

Name of the Topic	Basic characteristics of Indian Economy
Hours required	20
Learning Objectives	→ objectives and achievements of planning → Planning Commission. → India Rank in Global Human Development
Previous knowledge to be reminded	Economic development
Examples / Illustrations	Niti Aayog.
Additional inputs	Human Indese.
Teaching Aids used	Black board & chalk.
References cited	Academic text books
Student Activity Planned after the teaching	Preparing of notes.
Activity planned outside the class room, if any	
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → national income and Demography → occupational structure and unemploy → various schemes of employment and eradication of poverty. → Intra-state and inter-state labour migration.

v. m. l. t. s.
Signature of the Lecturer

Teaching Plan / Lesson No.

Name of the Topic	Agricultural and industrial development
Hours required	20
Learning Objectives	→ Indian Agriculture - credit - Industry → Make in India - start-up and stand-up → SEZs and corridors - covid.
Previous knowledge to be reminded	national income
Examples / Illustrations	Food security
Additional inputs	Industrial Policy.
Teaching Aids used	Black board & chalk.
References cited	Academic text books.
Student Activity Planned after the teaching	notes.
Activity planned outside the class room, if any	
Any other activity	
Topic Synopsis	(Continue on the reverse side if needed) → Indian public sector - centre, state → Public Expenditure - Fiscal Policy → Andhra Pradesh Economy → A.P economy after bifurcation in 2014. → The new initiatives to develop infrastructure. - power and Transport.

V. Muthu
Signature of the Lecturer
