Brief Report about the Event :-

Ranganathan (Father of Library Movement in India) on 12 August 2023. On the occasion Special book Display of its own library collection on theme "Reference Books" was displayed. National Librarian's Day is observed on 12th August every year to commemorate the birth anniversary of Padmashri Dr. S.R.

The Importance of Aug 2023

National Librarian's Day is celebrated every year on August 12, the birth anniversary of Dr S R Ranganathan, for his contribution to library science

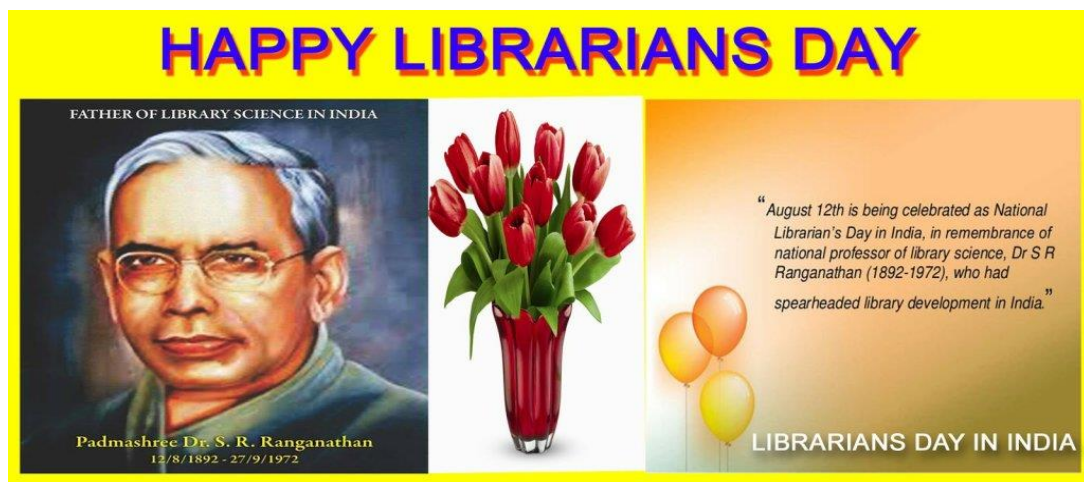

Every year 12 th of August, the birthday day of Dr. S.R. Ranganathan, the Father of Library science in India, is celebrated as the 'Librarian's day' with the aim to promote the use of libraries.

August 12, has been denoted National Librarians' Day in India. Dr. SR Ranganathan, who is known as the Father of Library Science in India, birthday is observed every year as National Librarian Day in India.

A library exists when the three components of its trinity – the readers, the books and the staff – are in purposive contact with each another. In the above Triangle: Angle 'a' refers to Universe of Knowledge Seekers, Angle 'b' is Universe of Knowledge Containers

library's collection can include books, periodicals, newspapers, manuscripts, films, maps, prints, documents, microform, CDs, cassettes, videotapes, DVDs, Blu-ray Discs, e-books, audiobooks, databases, table games, video games and other formats. Libraries range widely in size, up to millions of items.

Our College principal Dr B. Purusotham presided over the function. He told every student must utilize Library every day. In our College lot of Books and Magazines were available. Every Student they sit in the Library and read something. Smt V. Sivalakshmi spoke on this occasion every student they do not waste their voluble time in the College. They can use library books and gain some knowledge and get job in the future. Sri N.H. Hanumatha Rao, Dr B. AdiNarayana, Major C. Vijaya Bhaskar and 25 students were present on this occasion.
