

GDC, Rajampeta, YSR Kadapa Dt.
Department of Zoology
Activities 2025-26

1. Name of the Activity	Educational Trip
2. Name of the Lecturer/s	Dr. N. Chandra Mohan & S. Bhaskar Rao
3. Date	12-02-2026
4. Number of students participated	25
5. Number of faculty involved	02

Aim & Objectives –

- **To know the Advances in Biotechnology.**
- **To know the methods of environmental protection**
- **To know the different types of good fuels.**

Brief Report:

✧ **Dept. Of Zoology and Botany Jointly organized an ‘Educational Trip’ for Major Zoology & Botany students to participate in the “International Conference on Advances in Biotechnology for sustainable energy, environmental protection & Human health on 12-02-2026.**

About the Conference:

About the conference

The International Conference on Advances in Biotechnology for Sustainable Energy, Environmental Protection, and Human Health, organized under the DBT STAR College Scheme by the Department of Zoology, Government College for Men (Autonomous), Kadapa, provides an international forum for scientists, academicians, researchers, and students to share recent advances in biotechnology and life sciences. The conference highlights innovative research in sustainable energy production, environmental protection, and human health through interdisciplinary approaches. It aims to promote scientific interaction, collaboration, and the exchange of ideas across academicians and research institutions. The event also seeks to strengthen research culture and capacity building in alignment with the objectives of the DBT STAR College Scheme.

Students and staff attended the conference
