## Purpose and Benefits of this linkage :

Livestock plays a vital role in the community. They provide financial assistance and self employment to the people, especially in rural areas. III BZC students have **Animal husbandry paper in V semester**. For providing live knowledge to the students about **identification of cattles**, livestock management, and entrepreneur skills, Dept. Of Zoology has made **linkage with Sri. A. Diwakar Reddy garu**, Proprietor (entrepreneur), cattle farm, Rajampeta on **10-12-2021** and conducted a **field trip** to visit the cattle farm on **17-12-2021**. Here students directly observed and known the main identification characters of indigenous, exotic, pure and cross breeds of cattle's, housing systems, rate of milk production, milking methods, food and water facilities, food preparation, wastage utilization(Biogas generation)and income generation and other management practices from Diwakar Reddy garu.
